¹In-State (Resident)/Out-of-State (Non-Resident) Classification

At the time of admission to Georgia Institute of Technology a student will be classified as either a resident or non-resident of the State of Georgia for determining the amount of tuition a student will be assessed. A student will either be assessed the resident (in-state) or non-resident (out-of-state) tuition rate listed above based on this determination. Policies and Procedures for determining the classification of residency status are set forth by the Board of Regents of the University System of Georgia.
